Art Department Young Alumna – Kelsey Sullivan

Kelsey Sullivan was named the 2019 Young Alumna of the Year by Mississippi College's Department of Art! Kelsey graduated from Mississippi College in 2012 with a degree in Interior Design & a minor in Business Administration. Prior to graduation, she moved to Dallas, Texas to complete her internship at Design Duncan Miller Ullman. After graduation, she quickly connected with Thiel & Thiel, an Interior Architecture & Design firm focused primarily on boutique hotels, private golf clubs, and multi-family properties. After seven years in the industry, and still in Dallas, Kelsey leads a team of designers and architects, where she acts as the primary point of contact for clients and project consultants. She manages the design process and output to ensure the client's goals and program are successfully implemented according to the firm's standards. Kelsey is a preferred key contact for her creative talents, follow-through, organization, and stellar communication. In her short career, Kelsey has been a designer or team leader on over 60 renovation and new-build projects, and has won over 20 notable industry awards with her team.

South Central ASID Student Competition Winners

Congratulations to the following **Mississippi College Interior Design Students** for winning awards in the South Central ASID Student Design Competition! The competition included student work from interior design programs in Mississippi, Louisiana, and Arkansas. We are very proud of these students!
